CALL FOR SPECIAL SESSIONS

13th International Conference on Quality of Multimedia Experiences

The **13th International Conference on Quality of Multimedia Experience (QoMEX'21)** will be held **virtually** from **June 14-17, 2021**. QoMEX'21 will provide a warm welcome to leading experts from academia and industry to present and discuss current and future research on multimedia quality, quality of experience (QoE), and user experience (UX). The theme of the Workshop is:

Immersive Experiences in a Digital World

Special Session Proposals are solicited in the scope of topics that are aligned with the conference (listed below), conference theme, or are related to emerging topics within the broader sphere of QoE.

Conference Topics:

- Immersive QoE: Concepts and links
- Immersive experiences and technologies
- QoE in the era of big data and deep learning
- Games User Research and Experience
- New assessment and evaluation methods
- Quality, experience and user state
- QoE management in a digital world
- Quality of Life
- Multimodal perception & quality
- Immersive technologies and content creation
- QoE and content creation
- QoE data analytics
- Databases for QoE research
- Audio/Visual user experience

Submission Procedure

Special session proposals should be sent to the Special Session Co-Chairs: *Wendy van den Broeck* (Wendy.Van.Den.Broeck@vub.be) and *Jan-Niklas Voigt-Antons* (jan-niklas.voigt-antons@tu-berlin.de). The proposal should provide the following information: title, motivation and objectives, topics of interest, confirmed papers (title, authors, and abstract), contact information for the special session organizers, organizers' short biographies, and a list of potential reviewers capable of reviewing papers submitted to the special session.

Proposals will be evaluated based on topic novelty and impact, organizing committee qualifications, and proposed list of contributed papers. Submissions to approved Special Sessions will undergo the same reviewing process as regular papers and are expected to meet the same quality standards.

Important Dates and Details
